Introduction

- Fireplace surround ideas is a collection of design possibilities to assist you in adding a personal or custom signature to your project.
- This collection of design motifs will add a rich custom appointment to any fireplace.
- As the title “Inspirations” implies, this is a starting point to exploring the rich range of design patterns you, and your designer can create to reinforce your overall décor intent.
- Each page in this guide illustrates a unique design pattern, to illustrate what’s possible
- Consult a designer or New England Classic for assistance on designing and detailing your individual application.
